The ntrice and selections are as follows: First Race.—Sweepstakes of 415 each, with "Feverish Friday" it was, and no mistake, at the Polo Grounds yesterday afternoon. For more than two hours there was a string of exciting events that was at once exhiberating and so conducive to good ball playing that the New Yorks jumped into the game filled with electricity, and romped away from the "Clinkers" with ease. The story of the game and how the Giants one must call them Giants whenever they win) won it, is now a pleasant memory. Here is a bundle of new facts concerning the refreshingly diverting incidents of the afternoon. As soon as the game had started, John J. Troy, commonly termed "Dasher," and who rents the bar privileges of the grounds, tried to push a grand-stand gatekeeper's nose through the back of his head. Troy did this simply because the gatekeeper was obeying Mr. Talcott's orders in refusing to allow some friends of Troy's to enter the stand without tickets. The "Dasher" smashed the nasai cartilage of the gatekeeper, and when Mr. Talcott called him to account in the strongest possible way the infuriated saloon-keeper threatened the determined young Treasurer. The trouble was adjusted eventually, and it rests for a time. Perhaps after a while ample opportunity will be given to the "Dasher" to devote all his time to business outside of the Polo Grounds.

A prize fight with probably fatal results, was fought at Meyer's Lake, near Canton. O., last night. The pugilists were Jimmie Carney, who claims to be light-weight champion of Michigan, and Tommy Miller, a protege of Jack King, the Cleveland ex-prize-fighter. In the third round Carney hit Miller square on the point of the chin and he fell heavily, his head striking the platform. Nervousness an American Disease. Dr. S. Weir Mitchell believes that nervousness is characteristic of Americans, and that deaths from nervous troubles have increased to one-fourth of all deaths recorded. Most of these are due to the use of strong drugs. People deceive themselves with opiates, sedatives, tonics and cathartics until the nerves are shattered, the stomach is destroyed, the liver becomes torpid and the heart weak. Why pay big doctor's bills to have your constitution ruined? Munyon's Remedies are perfectly harmless and contain positive cures for the most obstinate as well as the most intricate diseases.

Professor Munyon prepares specifics for every disease, which are sold by all druggists.

Munyon's Dyspepsia Cure cures all forms of indigestion and stomach trouble, and all cases of nervousness due to disorders of the diseasity organs.

Munyon's Liver Cure cures billousness, haundice, sick headache and all liver complaints. In hot weather it is immediately effectual in relieving the "tired, worn-out" feeling caused by a torpid liver.
